

## ENGLISH OUTDOORS COMBINED CLASS

This program offers the interaction and liveliness of group classes and the personal attention of a private teacher. Students take the English Outdoors Morning class + 3 extra individual lessons, during which they will be able to focus on areas of weakness or discuss a topic of special interest.

This is a very popular course as it allows students to learn and progress faster with one-on-one attention from their assigned teacher. Topics covered during the 1-to-1s can include business, exam preparation, conversation, pronunciation, grammar, areas of interest (American culture, politics, current events....)

Note: This course is available on a B1/B2 tourist visa or ESTA.

### ENGLISH OUTDOORS LOCATIONS

Classes take place in locations all over the city, allowing students to learn English and make the most of NYC and all the best sights it has to offer. Being immersed in the life and culture of NYC adds a unique element to the classroom experience, as students will be able to truly experience NYC life and culture first-hand in authentic settings.

Instead of being in a room with 4 walls, students learn in places such as Bryant Park, Brooklyn Bridge Park, Industry City, Essex Market, Central Park and more. The city becomes the classroom!

Locations have been carefully chosen based on comfort, space, ease of access, points of interest close by, proximity of public restrooms, etc.

Note: there is a range of indoor locations for rainy days or when it is colder in the winter, so lessons are guaranteed, every day, whatever the weather. Private classes take place in the same location as group classes.

Students receive their schedule and list of locations (along with location guides) every Friday for the following week, and meet their teacher and classmates every morning directly on location.
