Morning English classes

To immerse students in NYC life and culture, our classes take place in public places throughout the city, such as Dumbo, Essex Market, Union Square, Brookfield Place, Industry City, Bryant Park and many more. Instead of being in a room with 4 walls, the city becomes the students' classroom! The locations have been chosen based on comfort, space, ease of access, points of interest close by, proximity of public restrooms...

Our classes are rich in cultural content and conversation with an added interactive approach to learning English. In addition to completing homework, book assignments, participating in pair work and discussion, students get the added bonus of learning about NYC in truly authentic NYC settings.

Our teachers are qualified, experienced, and use an action-based, communicative method to encourage students to interact and use the language as much as possible. 8 students per class max, grouped together according to level.

Activity program

The activity program for the young adults includes some of the best activities to do in New York – Broadway show, baseball game, The Summit, the Brooklyn Bridge etc... as well as plenty of free time to discover the city without supervision. Unlike the junior program, the young adult program allows the students to have a lot more freedom to go out after scheduled activities.

Included: all the selected afternoon and evening activities in the package (see schedule), breakfast and dinner, residence accommodation and subway pass.

Not included: lunches, airport transfers, optional Sunday excursion, supervision outside of scheduled activities.

The Young Adults program is the best of both worlds for students aged 18-22: knowing that all the best activities are organized and included, while being able to enjoy plenty of freedom and free time in the City too!

Accommodation & Meals

Students stay in our student residence in the heart of Brooklyn Heights – only 1 subway stop from Manhattan and 5 minutes' walk from one of the best views of the New York skyline from the Brooklyn Promenade. It is the best location to enjoy New York by day and by night! Students will be able to come and go as they please to make the most of their stay.

Accommodation is in twin room, half-board, with another EO Young Adult student of the same gender and different nationality. Dinner time at the Park Plaza Restaurant will be different from supervised junior students. Young Adults will have free time everyday to buy their own lunch.
